Oregon State, 7-3-1; SC, 8-2; UCLA, 7-3; Washington, 5-5; Oregon, 4-4-2; Stanford, 4-6; Washington State, 3-6-1; California, 3-7; Idaho, 4-5.

The 1957 Bruins

RETURNING VETERANS—15 returning lettermen from last year. The 1956 vets include two ends, three tackles, two guards, one center, one blocking back (quarterbacks), two tailbacks (left halfbacks), one wingback (right half), three fullbacks. All are only one-year lettermen.

SENIORS PENALIZED ONE YEAR'S ELIGIBILITY BY PACIFIC COAST CONFERENCE ACTION— Ten men, including two each at ends, guards and center and one each at tackle, quarter, tailback and wingback. They include no less than five starters: Wingback Lou Elias, right Guard Esker Harris, Center Jim Matheny, right Tackle Jerry Penner, right End Hal Smith and part-time starter Tailback Ed Griffin, plus right End Pat Pinkston, a virtual regular. Harris and Matheny were 1956 All-Coast stars.

OTHER LOSSES—Ten lettermen: One end, three tackles, one guard, two quarterbacks, one tailback, one wingback and one fullback. These include several outstanding stars such as blocking Backs Bob Bergdahl and Don Shinnick, captain and Guard Don Birren, Tailback Doug Bradley and End Pete O'Garro. Several of these would have been candidates for sectional or national honors last year but for the PCC ruling limiting them to five games.

PROMISING SOPHS—The Bruins get some quality but not much quantity from the 1956 freshman team, which defeated USC, tied Stanford and lost to California. Most likely candidates are Tailback John Adams, 230; Fullback Charlie Berry, 170; Guard Rod Cochran, 210; Fullback Ray Smith, 183; blocking Back Ernie Trumper, 195. The jump from freshman football to varsity in the PCC is the toughest task of their careers.

FROM "RED SHIRT" SQUAD—Several members of last year's "scrubs" are being counted on to help the varsity this fall. They include Dave Smith, lt; and Jim Steffen, re; Trusse Norris, re. Biggest surprise of spring practice was Chuck Kendall, who showed great promise at tailback. He saw 20 minutes of action as an end in 1956.

OTHER RETURNEES AND TRANSFERS—Craig Chudy, 1955 freshman end, and the following transfers: Dick Grogg, 230-pound guard from Santa Monica City College and University of Minnesota; Marvin Luster, an All-City back in 1955 and a transfer from Los Angeles City College; and Bob King, 195, All-Metropolitan Conference back from Valley JC. Others are talented but will have to hustle to make up for lack of spring drills.

OFFENSE—UCLA again will employ the Red Sanders balanced-line single wing attack that has made him America's most winning coach, aside from Oklahoma's Bud Wilkinson. Because of lack of many proven runners, the Bruins will probably stress passing more this fall. Success in 1957 will depend on many come-through

The 1957 Bruins

(Continued)

performances—more than in the last 10 years—and on the success of several important position changes.

PASSING—With the burden of the aerial game resting on the Bruin tailback, success in this department will rest largely with returnees Don Long and Kirk Wilson, plus the untried arm of Chuck Kendall, the surprise of spring practice. Lost are no less than six receivers who caught 35 passes last fall; but returning is talented Dick Wallen, who snagged 23 for 308 yards and two touchdowns. Others are unproven.

THE OUTLOOK—Much the same as 1956—this could be an inspired, determined, well-drilled TEAM, but still hampered by PCC penalties. The running attack could improve, as well as passing. And the Bruins still have Kirk Wilson, the greatest punter in history, at tailback. Much, however, will depend on the inspiration and determination of the squad against a schedule that looks 25 per cent tougher than a year ago.

Single Wing Master

HENRY R. "RED" SANDERS
HEAD UCLA FOOTBALL COACH

THE country's outstanding single wing coach, Henry "Red" Sanders goes into his ninth season as headman at UCLA. His eight-year Bruin record has been one of the finest in the nation. He's won 58 games, lost only 17 and tied one for an impressive .768 winning percentage.

His 1954 Bruins are the first and only undefeated and untied team in UCLA's 38 years (1919-56) of football history. This team was voted America's No. 1 team by the United Press and also was the recipient of Look Magazine's first Grantland Rice Memorial Trophy as the 1954 National Collegiate Champions selected by the Football Writers Association of America.

Red captured three straight PCC grid titles (1955-54-53), a feat never before equalled at UCLA, and finished second four times (1956-52-51-49) and third once (1950). In the last four seasons of conference play, he's won 23 games and lost only three (Stanford 20-21 1953; Oregon State, 7-21, 1956; SC, 7-10, 1956) for a fabulous .884 winning percentage.

This is Sanders' 29th year in the coaching profession, 14 as a successful prep and assistant collegiate coach, six as headman at Vanderbilt and now entering his ninth campaign at UCLA. Only one coach has now coached longer at UCLA than Red. That would be Bill Spaulding, who brought the Bruins out of nowhere into the pigskin picture during his 14-year stay (1925-38).

Red has won many deserving honors, but the most important, of course, was his selection in 1954 as the "Coach-of-the-Year" selected by the American Football Coaches Association. He's also the only coach ever to be named "Football Coach of the Year" two years in a row (1953-54) at the Los Angeles Times National Sports Award Dinner. Another of Red's most distinctive honors came when he was voted "Los Angeles' Outstanding Citizen of 1950" in a poll conducted by the Los Angeles Mirror.

He gained further national recognition on the coaching staff at the 1946 Blue-Gray game at Montgomery, Ala.; the 1951 East-West Shrine game at San Francisco; the 1952 College All-Star game at Chicago; and the 1952 North-South Shrine game at Miami, Fla. Sanders has also served as the president of the PCC Football Coaches Association.

Sanders lived and coached all his life in the South before coming to UCLA in 1949. Born in Asheville, N.C., on March 7, 1905, he moved to Nashville, Tenn., when he was two. He attended Davidson County Central Hi in Nashville and later graduated from Riverside Military Academy, Gainesville, Ga., in 1923.

Entering Vanderbilt in 1923, Sanders lettered four years each in baseball, football and basketball. He was

Vandy's baseball captain in 1927. He played quarterback at the same time All-American Bill Spears performed at Vandy. The late Dan McGugin, his coach, remarked that "Sanders has one of the best football brains I have ever known."

Incidentally, "Red" is a nickname tacked on him in childhood by an uncle and has nothing to do with the color of his hair, which is iron-grey.

Red's first coaching job was as backfield aide at Clemson in 1927. He also played pro baseball for three years following graduation from Vanderbilt. He then moved to Columbia (Tenn.) Military Academy as head coach in 1931, then to his prep Alma Mater, Riverside, in '34. During his eight-year career at these two schools, he compiled one of the finest prep records in Southern history, winning 55 games, losing only four and tying two. In 1938 he was freshman coach at Florida and next backfield tutor at LSU. Vanderbilt paged him in 1940. There against top competition, Sanders six-year record (1940-41-42-46-47-48) was 36 wins, 22 defeats and two ties.

Sanders, who brought to the West Coast such outstanding grid tactics as the balanced-line single wing, has always coached the single wing. He also originated the now famous 4-4 defense, copied by college and pro mentors alike all over the nation; developed the "squib kick" as substitution for the out-of-bounds punt; and exploited and popularized the now almost universally used spread punt formation.

The Sanders attack features plenty of passing and running power and also occasional short punt formation.

Red served as a Navy Commander in World War II. He is married to the former Ann Daniel, of Lakeland, Fla., an alumnae of Florida State University and holder of a masters degree from the University of North Caroline.

GEORGE W. DICKERSON—(UCLA '37)
Senior Assistant

Dickerson steps up this season as senior assistant while serving for the eighth year on the varsity staff. The vacancy came up when Jim Myers, one of America's great line coaches, resigned to become headman at Iowa State. He's worked with Myers in molding strong Bruin lines. In addition, George is a top scout.

After prepping at Fairfax High in Los Angeles,

George entered UCLA in 1933 and was a great tackle for three seasons (1934-36), being elected captain in his senior year. Following graduation in 1937, he coached a year at Arroyo Grande High in Northern California, followed by four years at Tracy, Calif., Union High. He then joined the Navy in 1942 and served for nearly four years, being discharged in 1946 with the rank of Lieutenant. George then returned to UCLA as head frosh football coach in 1946 and held that position for four years until he was elevated by Sanders to the varsity staff. This marks his first season as senior assistant.

The 43-year-old Dickerson is married to a former UCLA coed, Betty Axline, class of '36, and they have one son, George, Jr., 13.

WILLIAM F. "BILL" BARNES—(Tennessee '41)
Assistant

This marks Barnes' eighth year on the UCLA staff. Before coming to the Bruins in 1950, he spent four years (1946-49) at the University of Arkansas as end coach and scout. He's done an outstanding job with the ends and also heads up the scouting of UCLA's opponents.

Bill prepped at Central Memphis, Tenn., High where he was picked on the 1935 All-Southern High School All-Star team. He then entered Tennessee where he starred as a wingback (1937), a blocking back on the 1938 Vol team which beat Oklahoma in the Orange Bowl and an end on the 1939 Vol team which lost to SC in the Rose Bowl. Bill served as an assistant coach and scout at Tennessee in 1940 before graduating the next year.

Bill served in the Army (1942-46) and was discharged with the rank of Major. He then signed with Arkansas. The 39-year-old Barnes is wed to the former Frances Tow, whom he met while coaching at Arkansas.

HERBERT B. "DEKE" BRACKETT—(Tennessee '34)
Assistant

Like Barnes, Brackett came to UCLA in 1950 from Arkansas where he was backfield coach and head baseball mentor for four years (1946-49). Deke has done a standout job working with the Bruin backs.

After prepping at Knoxville, Tenn., High, he entered Tennessee in 1930 and won honorable mention on Grantland Rice's 1931-32-33 All America teams as a quarterback. The 1931-32 Vol teams were undefeated. He graduated in 1934 after serving as student body president during his senior year. Deke then served as an assistant coach at his alma mater before moving on to The Citadel in Charleston, S. C., for two years (1937-38) as an assistant coach and head baseball coach, followed by two years in the same capacity at Hampden-Sydney College, Va. The years 1942-45 found him in the Navy, from which he was discharged as a Lt. Commander.

Deke is wed to the former Hazel Bowman and they have two children, Herbert, Jr., 16, and Sallye, 9.

RAYMOND R. "RAY" NAGEL—(UCLA '50)
Assistant

This will be Nagel's third year as a varsity aide working with the backs, following his return to his alma mater from Oklahoma where he served as backfield coach in 1954. In 1953 he was a player and coach for the Chicago Cardinals of the National Football League. Prior to that he was a Bruin varsity assistant in 1951-52 and a standout assistant frosh coach while attending the UCLA Law School in 1950. And so the 30-year-old Nagel is one of the most experienced young coaches in the business.

After making All-City at Los Angeles High in 1944, he entered UCLA and starred as a T-quarterback for three seasons (1946-48) before becoming a fine tailback during Sanders' first year here in 1949. He's rated one of the Bruins' all-time greatest passers. He gave up his law studies in 1951 to join Sanders' staff.

Ray is wed to the former Shirley Ann Tanner and they have three children, Nancy, 7; Bruce, 5; Ray, Jr., 2., and are expecting another one.

SAM BOGHOSIAN—(UCLA '55)
Assistant

Sam makes his coaching debut this season on UCLA's varsity staff. The Fresno product recently was picked by Henry (Red) Sanders to become a full time member of the highly regarded Bruin football staff. A vacancy came up when Jim Myers, senior assistant, left to become headman at Iowa State.

It was only three seasons ago that Boghosian was an All-Coast guard on the Bruins' undefeated 1954 PCC championship team which was rated No. 1 nationally in two major polls. In 1955, he impressed as an assistant frosh coach at UCLA. The '55 Brubabe team was the first undefeated and untied yearling eleven in UCLA history.

After prepping at Fresno High School where he was All-City lineman for two years and All-Northern prep, he came to UCLA and went on to equal stardom (1951-54). While assisting Johnny Johnson with the '55 frosh team, Sam caught Sanders' eye with the way he stressed aggressiveness, spirit and conditioning.

At the age of 25, Sam is a young coach with a wonderful future as the newest member of UCLA's coaching staff. He's also a happy bachelor.

JOHN L. "JOHNNY" JOHNSON—(UCLA '47)
Freshman Coach

Johnson goes into his eighth season as head frosh coach. Back in 1949 he served as frosh backfield coach and then, the following year, succeeded Dickerson as yearling headman when Dickerson moved up to the varsity staff. His 1955 frosh team was the first undefeated and untied Brubabe eleven in history.

After prepping at Bakersfield, Calif., High in 1936-38, where he won All-San Joaquin Valley recognition as a back, he came to UCLA and captained the 1939

frosh team. He then missed a year of competition and returned as a Bruin fullback in 1941. From 1942-46 Johnny was in the service. He was discharged as a Lieutenant in the Naval Air Corps. He returned to his alma mater in 1946 and played on the PCC championship team as a fullback.

The 35-year-old Johnson is also a bachelor.

Youth, a fast, light backfield, and a big, rugged, dependable front line mark the 1957 Florida football team. The question is whether the Gators come up with a reliable second eleven necessary in the two-team substitution system which has swept through the tough Southeastern Conference. Heading the line is Captain Charlie Mitchell, 228, All-American candidate, at tackle; Center Gene Graves and Joe Hergert, either of whom may be the starter; a talented end in 6-3, 206-pound Dan Pelham; and junior End Don Fleming, a fine all-round performer. Jimmy Roundtree, a shifty, dangerous open field runner and devastating defensive player, could be No. 1 halfback in the SEC. Mighty little Jimmy Dunn, the Gators' 142-pound T-formation quarterback, smallest regular in the league, again heads the signal-calling corps. Ed Sears, 204-pound fullback who led the Gator ground game in '56, is back; and Florida's attack may center around him. Rountree's running mate, Bernie Parrish, compensates for lack of speed with sheer power and great defensive skill. The Gators, who finished third in the SEC last fall, employ their two-way, two-platoon system with the Orange (1st) and Blue (2nd) teams sharing most of the playing time.

Ray Eliot, dean of Big 10 coaches, can start a letterman at every position this season. That is the basis for optimism, along with return of halfback and Captain Dale Smith, whose 509 net yards and 5.7 average topped the '56 Illini, and T-quarterback Bill Offenbecher, key passer and returning regular. While the great Abe Woodson has graduated, Senior Bobby Mitchell is counted as a running mate for Smith. Senior Ray Nitschke and Junior Jack Delveaux return to alternate again at fullback. Offenbecher, who took over for the second half of the '56 season and sparked the upset of Michigan State, may have fine replacements in Tom Haller and Chuck Schrader. With fine tackle strength in regulars Paul Adams, 214, and Carl Johnson, 219, Eliot must improvise to fill in for graduation losses at other line spots. End Rod Hanson, standout soph and leading receiver at the flanks, broke an ankle last spring; but will be ready for a big season. Bob Delaney, only 173, will work the other end. Top guards are Bob Allen, 205; Dick Nordmeyer, 218; and Dick Perez, 209, who can match the size and strength of Centers Bob Henderson and Ken Sutter, both over 200. With come-through performers, this Illini team could finish near the top of the Big 10 heap.

Still sporting the West's speediest ball-carriers and best defense in the Pacific Coast Conference, based on 1956 figures, Oregon looks tough again this fall. Running backs, led by veterans Jim Shanley, Jack Morris, Leroy Phelps, Charlie Tourville and Len Read and backed by rookies Dennis Baker, Willie West, Marlan Holland and Dave Powell, are truly a talented group. But the graduation of Tom Crabtree, a steady two-year signal-caller, the Split-T quarterback job has added importance as Coach Len Casanova aims at more potency in the pass attack. One letterman, Jack Crabtree, a non-letterman in Paul Grover and two sophs, Sandy Fraser and Pete Gumina, had a shot at the job last spring. Four returning regulars in the line give the Ducks a strong nucleus for defense of their PCC total defense "championship." Returnees are left End Bruce Brenn, left Guard Harry Mondale, Center Norm Chapman and right Tackle Jim Linden, the latter a 220-pounder who may be a great one. More versatility is the keynote of the '57 squad, but keep an eye on Morris, a 9.8 sprinter and two-year vet. Co-holder of the league record for consecutive PATs (23), outstanding defensive ace and kickoff returner, he figures as possibly the Coast's top rusher this fall.

Blessed with some of the finest athletes on the Coast, Washington could come to life under a new coach, Jim Owens, the 30-year-old Oklahoman who learned his Split-T teaching from Texas A & M's Paul (Bear) Bryant. Seven solid regulars returning from the starting lineup are right End Bruce Claridge, 195; left Tackle Don McCumby, 235; Guards Dick Day, 240, and Whitey Core, 200; and a terrific backfield trio of Quarterback Al Ferguson, 175; left Half Mike McCluskey,

180; and Fullback Jim Jones, 196. And this list does not even include the team's top two ball-carriers: Halfback Luther Carr and Fullback Credell (Incredible) Green, who piled up 914 yards and nine touchdowns between them. Also returning is converted halfback Bobby Dunn to spell Ferguson, an injury-plagued performer last fall who came back to give the Huskies a late-season rally in '56. Besides talented all-round backfield ability, Owens has inherited considerable 1956 reserve strength which should be able to fill in for graduation losses. Keep an eye on this team; it may be a good one.

Widest margin of victory for OSC: 28 points (28-0 in 1948)

Oregon State could field a stronger team in 1957 than the one which won the PCC title last year although loss of some key performers is sure to hurt. The right side of the 1956 line remains intact with End Bob DeGrant, 196; Tackle Dave Jesmer, 218; and Guard Jim Brackins, 195, returning. Also back are Tailback Joe Francis and Wingback Earnel Durden, which means that Prothro will be able to field a first eleven composed entirely of lettermen. Strongest positions should be tackles and wingback. Several sophomores may help, also. Chief All-American candidate to follow in the footsteps of tackle Graduate John Witte is Francis, who does everything well. Prothro rates him one of the most under-rated players in the nation. Third in '56 in the PCC total offense statistics, Joe gained 203 yards rushing and passing against Iowa in the Rose Bowl. Durden was unanimous All-Coast halfback and should be better as a junior. This pair can do everything it takes to make the balanced-line single wing attack go. Despite loss of his other fine tailback, Paul Lowe, Prothro fully expects another fine OSC team.

Although only four regulars remain from the 1956 squad, Stanford will come up with an interesting, colorful and quite probably more dangerous club this fall. Coach Chuck Taylor has a trio of solid performers remaining in Fullback Lou Valli, No. 2 rusher and scorer in the PCC last fall; Tackle Troy Barbee and Guard Noel Robinson. Also, other fine lettermen, 22 in all, will be available as well as some promising sophomores and improved graduates of the '56 Brave (JV) squad. Tennis Star Jack Douglas is considered the most likely successor to All-American John Brodie at T-quarterback to lead the Indians in another dazzling air attack that has made Taylor's teams so popular in recent years. In addition, the Stanford mentor has embarked on a program to toughen his squad, both physically and mentally, and to bolster the defenses, which were credited with the six losses slapped on the highly-rated 1956 team.

no members of the squad have played this system on the collegiate level, many adjustments must be made. Returning regulars include two large-sized ends in Ron Wheatcroft and Roger Ramseier, who caught 24 passes between them in '56; tackles Harley Martin and Proverb Jacobs, both over 230; Guard Remo Jacuzzi and Center Frank Mattarocci, 220, in the line. Quarterback Joe Kapp and Halfback Jack Hart form the nucleus of a fine, ground-minded backfield. In addition to Kapp, the fourth best passer in the PCC last fall, Elliott will have another throwing ace in Joe Contestabile, who came up with an injured knee. While the Bears are saying they are a year away from being a title contender, they warn against some big surprises this fall.

WSC is looking forward to one of its best football teams in recent years. The Cougars have largely a junior-class team with a year of PCC competition under its belt. The nation's top forward passing team last year, WSC expects to put more stress on the ground game and defense to push Coach Sutherland's team closer to the top of the league. Sparked by T-quarterbacks Bob Newman and Bunny Aldrich, two great aerial artists, the Cougars have a fine returning regular in Halfback Charlie Morrell, fourth best ball-carrier in the PCC. The line, too, is virtually intact, with exception of the graduated Burl Grinols at right tackle, thus giving the team strength up front to protect the classy backfield aces. While material like Guards Ted Gray, 187; Gene Baker, 199; left Tackle Al Williamson, 201, have the heft to carry the normal load, Sutherland has also come up with more depth to aid the smaller men he had to field at some positions last fall. This is another team to keep an eye on this fall. It does not intend to stay near the bottom of the heap.

Widest margin of victory for UCLA: 50 points (50-0 in 1945)

Widest margin of victory for COP: 12 points (19-7 in 1943)

Six returning regulars plus nine other lettermen from 1956 give COP a strong offensive nucleus this year. Fabulous Dick Bass gives the Tigers one of the nation's greatest running backs to build around. Quarterback Tom Flores' throwing and catching by Ends Farrell Funston and Bob Denton may give the West its top aerial team. Flores was eighth nationally in passing last fall and Funston ninth in receiving. In the interior line only right Tackle Bill Striegel, 222, returns; but Coach Moose Myers has a fine crop of newcomers from his unbeaten freshman team and from junior colleges. Tiger coaches are particularly high on Stockton College transfers Carl Kammerer, 231, lt, and Ken Castles, 218, rg, along with left End Ola Murchison, 200, and left Tackle Ed Wallace, 221. Myers uses a split-end, flanker halfback T-formation offense, which can cause a lot of trouble. Bass averaged 116 yards a game until a knee operation sidelined him last fall. Flores passed for 1119 yards and 1 touchdowns even though he missed one game. And Funston snagged 27 passes for 563 yards in only eight games. It is easy to see that COP has the tools to manufacture a great record in 1957 with some luck.

siasm and new system. Head man Don Clark is confident that his squad will be tough, aggressive and able to handle the new system, variation of the "T", and new method of play, racehorse football. The first team appears adequately manned by 11 lettermen, but the overall squad may lack depth in attempting to hurdle a tough schedule that starts with Oregon State, Michigan and Pitt. Quarterbacks Jim Conroy will be at the throttle of the "Go Go Go" Trojans and the husky junior could be one of the best. Big things are expected of both tackles, Juniors Monte Clarke, 246, and Mike Henry, 218, who came into their own as sophs last fall. Clark's main job is to develop additional support behind Conroy, left Half Rex Johnston, right Half Tony Ortega and Fullback Ed Isherwood. Newcomers who could help are sophomores Don Mattson, t; Bill Brodie, qb; Roger Mietz, g; along with transfers Jack Willis and Lewis Schmid, both halfbacks; Dave Main, t; Guards Clarence Lewis and Gil Ane; and Center Ed Plutte.

Note: A "rule of thumb" in placing of certain men on defense is as follows: tackles are always reversed on defense; centers and quarterbacks (blocking backs) are always linebackers on defense; fullbacks and right halfbacks are always defensive halfbacks; and left halfbacks (tailbacks) are always safety men on defense.

HARRY LOUIS BALDWIN—Sophomore; freshman letter winner last year as starting center. Tall and rangy, but lacks heft and experience yet to push the top candidates. Won third team All-CIF honors in 1955 at Mark Keppel Hi under Coach Ed Austin. Won two football letters; also competed in track and basketball. Physical Education major. Phi Kappa Psi fraternity.

ROY WESLEY BENSTEAD — Junior; one-year "Redshirt Squadman' who did not see action last fall. Handicapped by lack of heft, but shows flashes of ability. Won two letters at El Camino JC before entering UCLA. Won All-League honors at Inglewood Hi in 1954 under Coach Marty Ernaga. Physical Education major.

RICHARD E. (DICK) BUTLER—Junior; one-year squadman; played 41 minutes at left guard last fall. Played blocking back during freshman season. Has definite ability and could move to the top any time. Prepped for three years at Woodrow Wilson Hi, Long Beach, Calif., under Coach Skip Rowland, ex-Bruin star. Political Science major. Delta Sigma Phi fraternity. Married to the former Jo Ann McMillan and has one child.

DENNIS LEE DRESSEL—Junior; one-year letterman; played 113½ minutes at this position last fall, though handicapped by an injured knee. Another knee injury kept him from spring practice. A fine prospect with all the instincts of an excellent football player if he can overcome his injuries. Prepped at Excelsior Hi, Norwalk, Calif., where he won All-Pacific Coast League honors in 1954 under Coach Bryan Robinson. Business Administration major. Delta Sigma Phi fraternity.

WILLIAM SPENCER (SPENCE) MITCHELL — Senior; one-year squadman; played one and a half minutes at right end last fall. Could be helpful here if Dressel fails to come around. Played two years at Ventura College, but earned only one letter at Ventura Hi under Coach Jack Smith. Geology major.

BOB WEEDEN—Sophomore; transfer from Santa Monica City College; unable to take part in spring practice because of PCC "one-semester transfer" rule. A king-sized prospect who may be a fine performer for the future, Weeden won All-City honors on three state championship teams under Coach Joe Westbrooks at Melrose Hi, Memphis, Tenn., hometown of ex-Bruin great Esker Harris. Art major.

RIGHT GUARD (RIGHT GUARD ON DEFENSE)

LAWSON RODNEY (ROD) COCHRAN — Sophomore; freshman letter winner last fall as starting left guard. Looked improved in spring practice and has ability to be a fine performer. Won first string All-City tackle honors in 1955 at South Gate Hi under Coach Joe Seminario. Physical Education major. Delta Sigma Phi fraternity.

DAVE W. DABOV—Sophomore; transfer from East Los Angeles JC; did not take part in spring drills because of PCC rule. A good future prospect, Dabov won letters in football, track and gymnastics at Alhambra Hi and received his grid training from Coach Ed Sowers. Physical Education major. Phi Kappa Psi fraternity.

DICK GROGG—Junior; transfer from Santa Monica City College and played frosh football at University of Minnesota. A good possibility at this position; but has been away from football during military service and transfer ineligibility so may come along slowly. Could help tremendously with come-through performance. Competed in football, baseball and basketball at South Hi, Minneapolis, Minn., and won All-City grid honors under Coach Les Bernard. Physical Education major. Married to the former Marjorie Ann Ebert and has a year-old daughter, Barbara Jean.

RICHARD RAMON (JOE) HARPER—Senior; one-year letterman; played 140½ minutes at this position last fall. A fiery, well-grounded football player despite lack of size; and will be hard to move out of the top spot he took over in the spring. A member of the UCLA rugby team last spring, Harper is quick and agile. Prepped at Glendale, Calif. Hi under Coach Roy Vujovich, ex-Bruin end. Physical Education major. Sigma Nu fraternity.

RIGHT TACKLE (LEFT TACKLE ON DEFENSE)

TOM P. AVERY—Junior; one-year letterman; played 56½ minutes at this position last fall. Has size needed here but must hustle to keep near top. Could be big help with come-through performance. Rugby letterman last spring. Played one year at East Los Angeles JC before enrolling at UCLA. Prepped at Manual Arts Hi in Los Angeles where he competed in football, baseball and track. Third team All-City gridder under Coach Jim Blewett. Physical Education major. Theta Delta Chi fraternity.

DEAN BRENTON BETTS — Sophomore; freshman letter winner last fall at this position as a starter. Young, but has potential and size to be a good lineman. Played three years of varsity football at Van Nuys Hi, winning second team All-City honors in 1955 under Coach Winston Tucker. Business Administration major.

WILLIAM FRANCIS (BILL) LEEKA—Junior; one-year letterman; played 189 minutes at this position last year. A much-improved performer over '56, based on work in spring. Has excellent strength and speed and well-balanced abilities on both offense and defense. He and Dawson should make a good first string pair, though they are not particularly large for tackles. Won All-Pacific League honors at Alhambra, Calif. Hi under Coach Ed Sowers. Was voted captain and "most valuable player" in senior year. Business Administration major. Beta Theta Pi fraternity.

PAUL WILLIAM OGLESBY—Sophomore; transfer from Riverside JC; unable to take part in spring practice because of PCC rule. With the size to handle a tackle assignment, Oglesby last fall won All-American JC honorable mention. Previously he had won All-CIF honors at Riverside Hi under Coach Howard White. He could help tremendously with a come-through performance. Business Administration major. Beta Theta Pi fraternity.

JAMES ARTHUR (JIM) WALLACE—Sophomore; one-year "Redshire Squadman" who did not compete last fall. Won All-Northern California prep honors at Fresno Hi in 1955 under Coach Erwin Ginsberg. Was also team captain and student body president. Pre-Dental major. Delta Sigma Phi fraternity.

RIGHT END (ALSO RIGHT END ON DEFENSE

CRAIG WARREN (CHOO CHOO) CHUDY—Sophomore; a returnee from the 1955 UCLA freshman where he earned a letter as starting end. A promising prospect with good speed, he tried out for the track team last spring as a hurdler. He earned third team All-City honors at Narbonne Hi in Los Angeles in both 1953 and 1954 under Coach Alex Mechikoff. He also lettered in track under ex-Bruin Frank Fletcher. Physical Education major. Delta Sigma Phi fraternity.

FRED BURTON GILLETT—Sophomore; one-year "Redshire Squadman" who did not see any action last fall. A rugby letterman last spring, Gillett has the speed to do a good job in the future. He transferred to UCLA originally from Valley JC. He lettered in football at Hollywood Hi under Coach Lou Birnbaum. Physical Education major.

TRUSSE RUPERT NORRIS—Sophomore; one-year "Redshire Squadman' who did not see any action last fall. An improved, hard-working performer, Norris should stage a good battle with Jim Steffen and Chudy for the top spot at this position. Younger brother of Clarence Norris, ex-Bruin end star. Lettered in football at Wheatley Hi, San Antonio, Tex., under Coach Henry A. Carroll and earned All-District honors. Also lettered two seasons in basketball. Physics major.

JAMES WILLIAM (JIM) STEFFEN—Junior; one-year "Redshirt Squadman" who did not see action last season. A hustling, aggressive wingman, Steffen showed up well in spring drills; but like all others at this position, he has no varsity experience whatever. He should do a good job, however, although he will be pushed by Norris and Chudy. Is the brother of former Bruin Captain Art Steffen. Lettered in baseball as regular leftfielder for Coach Art Reichle last spring. Transferred to UCLA from Occidental College in 1955. Lettered two years in football under Coach John Veeh at Tustin, Calif. Hi. Also lettered in basketball, track and baseball. Physical Education major. Phi Gamma Delta fraternity.

QUARTERBACK OR BLOCKING BACK (RIGHT LINEBACKER ON DEFENSE)

GLEN ALBERT ALMQUIST—Sophomore; one-year "Redshirt Squadman" who did not see action in '56. Somewhat handicapped by lack of heft, in comparison with other blocking backs, he must hustle to keep up with other candidates. Lettered three years in football at Wallace, Ida. Hi under Coach Bob Hilliard. Pre-Medical major. Phi Gamma fraternity.

STEVE GERTSMAN—Junior; one-year leterman; played 54 minutes at this position last year. A rugby letterman, Gertsman has plenty of hustle, although this will be needed to keep up with much-improved Art Phillips, who was a sensation in spring practice. He won All-Western League honors in football at University Hi in 1955 under Coach Tom Wilcox. Business Administration major. Zeta Beta Tau fraternity.

ARTHUR WILLIAM (ART) PHILLIPS — Sophomore; one-year "Redshirt Squadman" who did not see action in '56. He was tremendously improved performer in spring practive with his blocking and linebacking. A very willing gridder who will give Gertsman a real battle at this position. Attended Santa Monica City College prior to enrolling at UCLA. Lettered three years in football at Santa Monica and University Hi. His last prep coach was Bob Stilwell at Santa Monica. Also competed in baseball and track. Physical Education major.

ERNIE FRED TRUMPER — Sophomore; freshman letter winner last fall as starting quarterback on Coach Johnny Johnson's Brubabe team. Also played frosh baseball last spring. A promising gridder with plenty of hustle, he lettered in football at Ramona, Calif. Hi under Coach Glenn Forsythe. He captained his football, basketball and baseball teams and also competed in track. Physical Education major.

LEFT HALFBACK OR TAILBACK (SAFETY ON DEFENSE)

JOHN A. ADAMS—Sophomore; freshman letter winner last year as starting tailback. Has plenty of size and straightaway speed, but lacks quickness and real striking power as yet. May be a good prospect for

the future. Won All-CIF backfield honors in 1954 at San Diego Hoover Hi under Coach Bob Kirchoff. Also starred in basketball and track. Business Administration Student.

CHARLES BARTON (CHUCK) KENDALL—Junior;one-year squadman; played 20 minutes at left end last fall but did not earn a letter. Switched to tailback in spring practice, Kendall "took charge" in a spectacular manner and showed fine running, passing and defensive ability. Also an adequate punter. He may be the real one to watch although the battle for the top spot here is strictly a three-way tangle between Kendall, Kirk Wilson and Don Long. Attended Valley JC prior to enrolling at UCLA. Won second team All-Northern League honors as T-quarterback and short punt tailback at Verdugo Hi under Coach Ralph Rich. Journalism major.

DONALD JOSEPH (DON) LONG—Junior; one-year letterman; played 140 minutes at this position last fall. Despite the fact that injuries slowed him the last half of the 1956 season and he did not even play in the final two games, Long wound up the No. 2 Bruin ballcarrier with a net of 204 yards on 56 tries for a 3.64-yard average. He was also second in passing with 19 completions out of 38 tosses for 243 yards and no touchdowns. He led in total offense with 447 net yards for the season and tied for first in scoring with Tailback Kirk Wilson at 19 points each. In punting, Long averaged 31.72 on 11 kicks. He returned one punt for two yards and one kickoff for nine. He looked definitely improved in speed and hitting power in spring drills. Won All-League honors in 1955 at Beverly Hills Hi under Coach John Marrow. English major. Beta Theta Pi fraternity.

WILLIAM KIRKLAND (KIRK) WILSON—Junior; one-year letterman; played 156½ minutes last fall at this position after starting out as an end on the Redshirt squad. Missing out on spring drills a year ago because of PCC rule, he had to be utilized as a punting specialist most of the early part of the 1956 season until he learned the tailback duties. The last third of the season, he had taken over the top spot. Won All-PCC honorable mention on team picked by PCC coaches. His 49.3-yard punting average for 30 kicks broke all known NCAA and national records, even after his first kick of the year against Utah went only three yards. He carried the ball 34 times for 74 yards and a 2.17 average during the season. In passing, he tossed 44 for 15 completions for 230 yards and one touchdown. He tied with Long for first place among his teammates in scoring with 19 points. He intercepted one pass for a return of one yard. One of the best pitchers UCLA has had in several seasons, Wilson finished the spring with a 3-3 win-loss record and a 2.07 ERA even while taking part in spring football practice. He also won honorable mention on the All-CIBA team. Considered a fine pro baseball prospect with a

good fast ball and excellent control. Appeared to have gained some speed in spring drills and could be a tremendous help here with a come-through performance this fall. Transferred to UCLA from Santa Monica City College. Third team All-City back at Venice, Calif. Hi in 1954 under Coach Grayson Turney. Physical Education major.

RIGHT HALFBACK OR WINGBACK (LEFT HALF ON DEFENSE)

JOHN ALBERT DAVIS — Sophomore; one-year "Redshirt Squadman" who did not see action last fall. A hustler but needs experience. Attended Los Angeles City College before enrolling at UCLA. Won second team All-League honors at Belmont Hi in 1953 under Coach Felix Pennino. Education major. Kappa Alpha Psi fraternity.

BERT LOUIS FRESCURA—Junior; one-year "Redshirt Squadman" who did not see action last season. A three-year rugby letterman, Frescura has improved although he is in tough competition at this position. Competed in football at Burbank Hi under Coach Maury Wiley. Engineering major.

RICHARD NATHANIEL (RICH) JOHNSON — Sophomore; transfer from East Los Angeles JC; unable to take part in spring practice because of PCC rule. A fast, strong-looking runner, Rich was the top UCLA freshman sprinter last spring with marks of 10s and 21.6 in the dashes. Has definite promise. All-League back under Coach Ed Austin at Mark Keppel Hi in Alhambra, Calif. in 1955. Physio-therapy major.

MARVIN EUGENE LUSTER—Sophomore; transfer from Los Angeles City College. Showed good competitive promise as a hurdler on the UCLA track team last spring. Best times were 14.5 and 23.4 in the highs and lows. Also participated part time in spring practice and showed flashes of brilliance. A come-through performance here would be of tremendous help. Won All-City honors at Belmont Hi in 1955 under Coach Felix Pennin. During that season he was the city's fourth highest scorer with 10 touchdowns and seven conversions for 67 points. Business Administration major.

PHILIP LEO (PHIL) PARSLOW—Junior; one-year letterman; played 53 minutes last fall. Has about as much speed as any UCLA back, but has not shown real breakaway ability as yet. Should be a strong possibility for the top spot, but will have a tough time beating out some of his competition. Showed some improvement in spring drills. Lettered in both football and track at both El Cerrito, Calif. Hi and at Mt. Diablo Hi in Concord, Calif. Physical Education major. Phi Delta Theta fraternity.

FULLBACK (RIGHT HALF ON DEFENSE)

CHARLES WAYNE (CHUCK) BERRY — Sophomore; freshman letter winner last year as starting

wingback. Was switched to fullback during spring practice and showed quite a bit of promise. Is willing and hard-hitting. Inexperience at this position is main drawback now. Won three football letters under Coach Al Irwin at Newport Harbor Hi, Newport Beach, Calif. Won All-Sunset League honors in 1955. Also a low hurdler in track. English major. Phi Kappa Sigma fraternity.

BARRY JAY BILLINGTON—Junior; one-year letterman; played 403 minutes at fullback last fall, most of any sophomore on the Bruin squad. Two-time Pacific Coast Intercollegiate 167-pound wrestling champion and National AAU Greco-Roman 174-pound champion. Was All-PCC second team choice on AP selection. A fiery competitor and by far the best runner on the 1956 squad, Billington was UCLA's leading ballcarrier with 396 net yards in 106 tries for a 3.74-yard average. He scored three touchdowns. Defensively, he intercepted two passes for eight yards in returns, returned one punt for two yards and five kickoffs for 126 yards and a 25.2 average. He could be more effective this fall with more strength at tailback and wingback and some relief at his own position. He won second team All-CIF honors at Inglewood Hi in 1953 under Coach Martin Ernaga. Business Administration major. Phi Delta Theta fraternity.

DON DIEN DUNCAN—Junior; one-year letterman; played 103½ minutes as both wingback and fullback last fall. Showed definitely improved performances last spring and could be a big help at this position. Was fourth best ground-gainer last fall with 134 net yards in 34 carries for a 3.96 average. Scored eight points on eight out of 11 conversion attempts. Punted twice for a 33-yard average; returned one punt 12 yards; and returned three kickoffs for an 18-yard average. Won All-CIF back honors in 1953 at Alhambra Hi under Coach Ed Sowers. Two-year rugby letterman. Physical Education major. Delta Tau Delta fraternity.

DAVE JEROME PETERSON—Junior; one-year letterman; played 57 minutes at both blocking back and fullback last fall. Another willing, hard-working performer. Carried the ball 12 times for 35 yards and a 2.92 average last fall. In tough competition at this position. Is twin brother of gridder Dan Peterson. Two-year rugby letterman. All-Bay League guard at Santa Monica Hi in 1953 under Coach Bob Stilwell. Physical Education major.

RAYMOND EARL (RAY) SMITH — Sophomore; freshman letter winner last year as starting fullback. Showed plenty of promise and followed up well in spring practice. A come-through performance by Smith could help greatly. Won second team All-CIF honors at Polytechnic Hi, Riverside, Calif., under Coach Howard White in 1955. Also competed in basketball and baseball. Physical Education major. Phi Kappa Sigma fraternity.

History of UCLA

MOST American universities date back many ivy-covered years and some, like William and Mary or Harvard, trace their antecedents to Revolutionary times. But the University of California at Los Angeles (UCLA for short), is only 37 years old. Its 400-acre campus, set against the Santa Monica Mountains with the blue Pacific in the background, is even newer.

What in 1928 was a lonely bean field dotted with live oaks and sycamore, is now a busy center of study and research, extra-curricular student activities and bustling construction.

Despite the high entrance requirements, its enrollment has mushroomed to more than 15,000 students—making it one of the top 10 in the nation in size of enrollment.

UCLA is the second largest campus in point of enrollment among the eight campuses of the state university, which is headed by President Robert Gordon Sproul.

Raymond B. Allen is Chancellor at UCLA. He heads a faculty of 1500 and a staff of 2,500.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its post-war buildings are constructed of the same materials and share the same architectural feelings as the older buildings.

While physical expansion is the most astonishing single fact about the Los Angeles campus, it has grown

rapidly and vigorously in instruction and research—helping the state-wide University of California to maintain its place as one of the "Big Five" in American education, along with the Harvard, Yale, Columbia and Chicago.

In the field of science, UCLA is one of the leading centers in the world for the study of acoustical physics and physical organic chemistry. It is one of four universities in the United States that train meteorologists for the Army, Navy and Air Force. Its College of Engineering carries on significant studies in aeronautics, ceramics, heat transfer, traffic and transportation and other fields. UCLA's department of astronomy offers the only rocket navigation course in the world. Its College of Agriculture draws students from all over the globe to study subtropical horticulture and floriculture. UCLA's Medical Center, completed in 1954, at a cost of $22,000,000, is expected to set the pattern for the Atomic Age.

In the humanities, UCLA has a distinguished record also. Its School of Business Administration, established in 1954, now attracts 1,500 students and is one of the finest in the country. Construction is now underway on the Western Data Processing Center, the world's first university computer center devoted primarily to the study of complicated business management problems. Made possible by a grant from IBM, it will be a part of the Graduate School of Business Administration. Its Law School boasts the largest enrollment on the Pacific Coast. UCLA's Library ranks 16th in size on a national scale. The Department of Theater Arts combining drama, television and motion pictures, is one of the most outstanding in the United States.

DR. RAYMOND B. ALLEN

UCLA Chancellor

Dr. Raymond B. Allen came to UCLA in 1952 and was its first chief administrator to bear the title of Chancellor.

After receiving an M.D. at the University of Minnesota in 1928, Chancellor Allen began his career as a physician and surgeon in North Dakota. In 1934 he received his Ph.D. in surgical urology from the Mayo Foundation Division of the University of Minnesota's Graduate Division. After that he held a series of medical deanship posts at Columbia University, Wayne University, and the University of Illinois.

In 1946 the University of Washington was looking for a president to direct its postwar expansion program and it sent for Dr. Allen. He served there with distinction until he was called to government service as Director of the Psychological Strategy Board in Washington, D. C., a top-secret cold war agency. He was in Washington when the University of California Regents, following a year's intensive search for the right man, asked him to assume the duties as Chancellor of UCLA.

Now in his fifth year at UCLA, Dr. Allen has shown himself to be both an outstanding leader and administrator. His accomplishments in that brief space of time have won for him the warm respect and affection of students, faculty and alumni alike.

WILBUR JOHNS (UCLA '25)

Director of Athletics

This is Wilbur Johns' 11th year as UCLA's athletic director. He succeeded Bill Spaulding in 1947. UCLA's athletic program has grown and prospered under his leadership. He is highly respected in NCAA and PCC circles, currently serving as chairman of the NCAA Extra-Events Committee and PCC treasurer. He was duly recognized for his service to his Alma Mater by receiving the 1955 UCLA "Alumnus-of-the-Year Award."

Wilbur was the head Bruin basketball coach for nine seasons (1940-48), with his teams winning the 1945 and 1947 PCC Southern Division titles. He previously served at UCLA as Caddy Works' varsity and frosh cage coach following his graduation in 1925. He lettered in basketball, tennis and swimming at UCLA, including the captaincy of the 1925 Bruin basketball varsity.

He prepped at Glendale High where he starred in basketball, baseball and tennis. A broken arm in two successive football seasons made him forego the grid sport. He's married to the former Idelle Robelen and they have a daughter, Peggy, and a husky young son, Mike.

DR. JOSEPH KAPLAN

PCC Faculty Representative

UCLA's faculty representative to the Pacific Coast Conference is Dr. Joseph Kaplan, a professor of physics who specializes in the upper atmosphere. He is currently involved in a gigantic world-wide experiment as chairman of the United States National Committee for the International Geophysical Year (1957-58). This is the undertaking which will see man launch his first space satellites.

But when it comes to athletics he is "down-to-earth," as coaches, athletic directors and his fellow faculty representatives will testify. The genial, pipe-smoking physicist is a devoted sports fan and cherishes the spot on the Bruin bench that his PCC post entitles him to during football season. He believes athletic achievement should match academic accomplishments.

Dr. Kaplan has never been an ivory tower scientist (his research laboratory is in the basement of the physics building), but his record of academic and scientific achievements are well documented. After earning his Ph.D. at Johns Hopkins University in Baltimore, he was awarded a fellowship by the National Research Council for two years of uninterrupted research at Princeton.

Early in World War II he directed the recruiting and training of meteoroligists for the Air Force. Later he helped organize general operations of the Air Force's B-29 bomber program. For his service he received the

War Department's decoration for exceptional civilian service. Since the war he has been a top research advisor to the Air Force in addition to his regular research and teaching activity at UCLA.

He is a member of the National Academy of Sciences, which is reserved only for the nation's scientific elite.

DR. BRADFORD BOOTH, JR.

Alternate PCC Faculty Representative

Victorian literature and American football are combined very harmoniously by Dr. Bradford Allen Booth, Jr., professor of English and UCLA's alternate faculty representative in the PCC.

"I only missed one game in the 21 years I've been at UCLA," said the author of the soon-to-be-published "Studies on the Life and Work of Anthony Trollope," a series of essays on one of the Victorian period's most prolific novelists. "And I wouldn't have missed that game if I hadn't been out of the state."

Dr. Booth did his undergraduate work at Allegheny College, graduating in 1930. He received his M.A. and Ph.D. from Harvard University in 1932 and 1935 and then accepted a Dexter Fellowship from Harvard for special research at Oxford and the British Museum.

Dr. Booth's first teaching job was at the University of Tennesse where he taught English for one year before coming to UCLA in 1936.

Though he confines his participation in football to the role of a spectator, he is a very active participant in tennis and golf. Dr. Booth, of course, is a chronic reader, especially of Victorian literature, as his multivolumned work on "The Letters of Robert Lewis Stevenson" demonstrates.

He holds the distinction of being the only male in his family, being happily surrounded by his wife, Josephine, and his three daughters, Barbara, 15, Celia, 12, and Carol, 7.
